ESI SUMMER INSTITUTE 2014

SHORT COURSE ON ENVIRONMENTAL EDUCATION

April 21-25, 2014 | 8:00 a.m.-5:00 p.m.
ESI Conference Room
Miriam College, Quezon City

Course description:

The 5-day course deals with the nature, objectives, principles and pedagogy of and issues in environmental education (EE). It prepares teachers and trainers to integrate EE in their respective courses or field work. It focuses on the integration of environmental concepts in the curriculum and how principles can be used in the whole-school approach to EE. It covers application in the formal, non-formal / continuing and informal / public education. It explains environmental problems in terms of environmental principles or core messages.

Course Coordinator: Angelina P. Galang, Ph.D.

Registration fee: P6,000.00 to cover seminar fee, materials and kit, field trip
