ABOUT US

The Miriam College Adult Education (MAE) is a special academic unit of Miriam College. It provides quality and affordable education for underprivileged youth and adults, especially those who have been out of school for years.

OUR VISION

The Miriam College Adult Education (MAE) established in 1967 by the Maryknoll Sisters, a pioneer in adult education in the Philippines, envisions the holistic development of the disadvantaged youth and adult learners for them to meaningfully participate in building a just, peaceful and progressive Filipino nation.

OUR MISSION

Anchored on Miriam College's core values of truth, justice, peace and integrity of creation, and rooted in Miriam spirituality, MAE's Basic Education Program provides students with life-skills, knowledge and values to help them improve their lives. Our Technical-Vocational Program hones students' competencies, in accordance with industry standards, to prepare them for a wide-range of occupations.
