Department of Budget and Management

JOB VACANCIES:

1. OPERATIONS GROUP
   Undertake operational and sectoral policy reviews in collaboration/consultation with client agencies to ensure quality and appropriate medium-term levels of expenditures and intra-sectoral budget allocation decisions.
   - Budget and Management Analyst 15

2. POLICY GROUP
   Develop fiscal and budgeting frameworks, indicative annual and multi-year budget ceilings and forward estimates, and sectoral composition of expenditures in coordination with other oversight agencies.
   Prepare policies and budgetary guidelines on Personal Services and associated expenditures.
   - Budget and Management Analyst 3

3. CORPORATE AFFAIRS GROUP
   Assist the lead DBM Bureaus/implementing units in managing the reforms being developed, implemented, and mainstreamed by the DBM as well as in providing strategic thinking, mobilizing technical support from donors, and advocating them to agencies.
   - Attorney III 1
   - Management and Audit Analyst I 2
   - Planning Officer 1

4. REGIONAL OFFICE
   Provide policy advisory and support services to the DBM Central Office, RDCs and other regional policy-making bodies to promote sound fiscal management and PEM reforms.
   Review the budgets of provinces, highly urbanized cities, independent component cities, and Metro Manila municipalities to ensure compliance with the Local Government Code.
   - Budget and Management Analyst 5
