HMR Philippines Management Trainee Program (HPTP)

Who are we?

A Company with diverse career opportunities for you to look forward to.

- An Australian-Filipino owned company with over 25 years experience
- Employs over 1000 personnel.
- Services include retail, wholesale, trading, auctions, procurement, steel fabrication, construction and recycling.
- At the heart of our success are the passionate people who work with us, people who are motivated to achieve their goals.

HMR’s Management Trainee Program

This Program is designed to offer winning careers for highly capable graduates, who aspire to become business leaders tomorrow. It is a project-oriented hands-on learning opportunity for recent graduates.

HMR advertises internship assignments once a year and welcomes highly motivated, open-minded, and self-directed individuals to apply.

The training program offers the opportunity to:

- Work in a medium sized Philippine corporation;
- Work collaboratively with experienced professionals from seven different companies in diversified areas of core competence;
  1. Retail
  2. Wholesale
  3. Trading
  4. Auctions
  5. Procurement
  6. Environmental Compliance
  7. Steel Fabrication
  8. Construction
  9. Recycling
- Gain a deeper understanding of HMR’s operations and its diversified activities.
- Follow Scorecard and incorporate it into HMR’s psyche.
- Successful candidates after the 12 month program may be considered for Managerial positions.

Ideal candidates must:

- Be a graduate of any Four (4) year College course;
- Possess an excellent command of English and Filipino;
OJT experience directly related to HMR’s diversified businesses is an advantage.
A competitive compensation package awaits all qualified applicants.

Selection Process

Candidates must accomplish the HMTP Application form and answer the essay questions.

Eligible candidates must submit their application forms to nasido@hmrgroup.com.

HMR evaluates applications based on: relevance of academic study, work experience; and the level of interest and motivation to contribute to development work.

Application deadline for the 2013 Graduate Program: July 25, 2013
